**AMENDMENT AFTER ALLOWANCE, 37 C.F.R. §1.312**

Sir:

Applicants request amendment of the record after allowance, without withdrawing the case from issue, to correct an error in the title. The issue fee has not yet been paid.

The title of the Application, as appearing on the Application and the Declaration, is: **Creation Of Dielectrically Insulating SOI-Technological Trenches Comprising Rounded Edges For Allowing Higher Voltages.** This title is correct. The Official Filing receipt mailed on July 23, 2008, contains a typographical error in the title (copy attached). Applicants respectfully request amendment of the title.

Correction does not involve such changes in the application as would constitute new matter or would require further searching by the Examiner.

As this error occurred through no fault of the Applicants, no additional fee is believed to be required, however, if a fee is deemed to be payable, the Commissioner for Patents is hereby authorized to charge any additional fees to Deposit Account No. 04-1679.

Date: June 20, 2011

Respectfully Submitted,
